Three-, Five-, or Six-Team Competition Schedule

For a 5-team Meet, cross out Team F. For three teams, cross out teams D, E and F. When using computer scoring disk for 5 or 6 teams, use the 6-team scoring format on ScoreKeeper. For five teams, fill in only the 5 scores, and the program will fill in zeroes for Team F raw scores, and 25 points as their ordinalized scores. When using computer scoring disk for 3 teams, use the 3-team scoring format on ScoreKeeper.
