ROOM

Nine-, Eight-, or Seven-Team Competitions

Use as provided for a 9-team Meet. For an 8-team Meet, cross out Team I. For seven teams, cross out teams F and I. When using computer scoring disk for these Meets, use the 9-team scoring format on ScoreKeeper. For fewer than 9 scores, the program will fill in zeroes for the raw scores of teams you've eliminated, and 20 points as their ordinalized scores. All times remain the same; but Facilitators will have breaks during times which F and I would have competed.

FYI-This schedule is easier to fill out and read if it is enlarged to 127% of size on 8 1/2 x 14" paper.
