

We'd like to host an Invitational Meet!

U.S. Academic Triathlon provides all materials and set-up consulting to schools which wish to try USAT. If you'd like to get other nearby schools involved, just fill out this request form, and a sample Meet will be shipped to you free! Just return it when you're done, and let us know how it went. Allow 3-4 weeks for your kit, and remember that you're responsible for the return postage, as these kits are reusable.
